Scipline Sub-Committee

Defectives

mission of the institute is to promote excellence in teaching —learning, to inculcate & nourish research aptitude and provide mmunity service to strengthen the community bonding, social harmony and universal brotherhood. Inherent in this mission is responsibility of the Institute to educate its students to be responsible, civic minded citizens. Therefore, the disciplinary code conduct is designed to provide information to students, faculty and staff regarding the ideals that underlie our academic assion, and the expectations that the Institute has regarding the conduct of students.

student discipline system exists to handle infractions against college rules and regulations. This system is based on a soophy of fairness for all parties affected by any situation. The student discipline system is designed for an educational stem, therefore, procedural issues, including the introduction and consideration of evidence, are handled in a manner assistent with that educational focus. If a student or a group of students are cited by staff, faculty, or other students for a stable violation of college policies on campus or in hostel, they may be subject to the disciplinary process of the college.

disciplinary committee will act in cooperation with anti ragging committee, Grievance Redressal Cell and GS Cash. The disciplinary proceedings could be conducted based on the nature of violation.

11. Environmental Awareness Sub-Committee

Environmental awareness, which is essential for a good citizenship, is not always a prominent feature of education programmes of higher learning. Agenda 21 states that "education is critical for promoting sustainable development and improving the capacity of the people to address environment and development issues", moreover, education is stated to be an indispensable means of "achieving environmental and ethical awareness, values and attitudes, skills and behavior consistent with sustainable development and effective public participation in decision-making" (Chapter 36). This emphasis has influenced the inclusion of environmental education through different participatory mechanism, i.e., seminar, symposium, quiz, play, etc. The students are the young generation of a nation and the decision makers of the future. Their way of thinking about the environment and their involvement in environmental conservation is critical to sustainable development. Objectives:

- To generate environmental awareness among students, staffs, faculties through its teaching and research,
- To facilitate better understanding and appreciation of nature in all its forms,
- To protect and preserve our natural heritage through engaging in various conservation and educational activities and other organization with similar objectives
- Maintain personal accountability for responsible environmental and safety behavior within the college premise;
- To initiate and stimulate group activities related with env.
- To organize trips, field excursions other outdoor activities to connect the students with nature
- To organize workshops, symposiums, seminars to generate awareness about the biodiversity conservation issues
- To raise the consciousness about the environmental rules and regulations
- To make the campus 'plastic free zones'.
- To celebrate world environmental day
- To investigate and improve the present practice of rainwater conservation with the motto 'jal dhoro, jal bhoro'.
- To promote sustainability through efficient and appropriate use of resources and to encourage more use of non conventional sources of energy
- To adopt the green techniques to minimize energy consumption
- To propose and execute the green auditing of the campus with the help of necessary expertise

TC (Chairperson), Dr. Sutapa Saha (JC), Smt. Poulomi Mukhopadhyay(JC), Sri Gautam Chaudhuri, Dr. Sutripta Sarkar, Sri Swyambhoo Mitra, Sri Nilotpal Chatterjee, Sri Angshuman Chakraborty, NSS Programme officer, Dr. Debopam Acharyya, Dr. Tanushree dutta

12 Campus Development Sub – Committee Objectives

- To keep the campus clean and tidy .
- To develop physical infrastructure of campus.
- To improve condition of canteen in 85, Middle Road campus
- To improve cleanliness of toilets in both campus.
- To beautify both the campus by planting tree and maintain garden.
- To assure availability of clean and safe drinking water at both the campuses.
- Look into the safe disposal of bio hazard / waste
- To make 6, Riverside road campus Wi-fi
- To make permanent cycle stand at 6, Riverside Road campus.
- To maintain the play ground and basket ball court at 6, Riverside Road campus.

TIC (Chairperson), Sri Gautam Chaudhuri (JC), Sri Partha Banerjee, (JC), Dr. Chandrasekhar Mukherjee, Dr. Srinamta Sinha Roy, Dr. Manisankar Roy, Sri Biswajit Dey, Dr. Jyotiprasad Chattopadhyay, Sri Pankaj Kr. Mondal, Sri Arijit Chaudhuri, Sri Amitava Bhaduri, Sri Anirban Chakraborty (COM), Dr Priyadarshi Majumder, Smt. Sutapa Ghosh, Smt. Chandrani Sanyal, Head Clerk, Sri Arindom Chakraborty, Sri Ashoke Bhattacharyya, Sri Del Roy chowdlury

Sports Sub – Committee

Objectives

- To upgrade proper infrastructure for sports.
- Special concession and financial support be extended to students who excel in sports or represent the college in various sports events.
