Minutes of the meeting held dated 21.12.2019

Students voiced grievances on:

- Insufficient number of class rooms in both campuses.
- Want of a help desk to guide the students on availability of scholarships and free ship in the institution.
- Demand for Ramp rail for the differently abled students in the college campus.
- Lack of equipment in some science laboratories.
- Demand for new water filter machines in the 85, Middle Road Campus.

Resolution:

The members of the committee resolved:

- The grievance pertaining to insufficient number of class rooms in both the campuses cannot be addressed because of restrictions for being located within a Cantonment area.
- The committee resolved that scholarships and free ship available in the institution will be displayed on the website.
- Ramp rail is to be provided for the differently abled students in the college campus.
- IQAC is to be requested to arrange for more equipment for the Science laboratories from CPE fund of the UGC.
- New water filter machines are to be provided in both campuses.
