For kind attention of all the Principals of the colleges affiliated to the West Bengal State University

The Internal Assessment of students will form an important component in the overall examination of students in the Choice-based Credit System in all the semesters of the B. A./ B. Sc./ B. Com. (Hons.) and General Courses.

Principals are hereby requested to ensure that teachers engaged in conducting examinations do not indulge in tuition of students of the concerned college as that will be a direct conflict of interest.

All concerned are requested to extend their cooperation and assistance in the matter.

A copy of this note will be forwarded to the Department of Higher Education, Science and Technology and Biotechnology for information and record.
