About Us:

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for the last 50 years. TCS offers a consulting-led, Cognitive powered, integrated portfolio of IT, Business & Technology Services, and Engineering.

A part of the Tata group, India's largest multinational business group, TCS has over 430,000 of the world's best-trained consultants in 46+ countries. The company generated consolidated revenues of approximately US \$20 billion in the fiscal year ending on March 31, 2019, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India.

TCS' proactive stance on climate change and award winning work with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index.

TCS is also one of the country's largest equal opportunity employer with more than one-lakh female associates and is a continuously ranked a leader in the 'India's Most Respected Companies' survey conducted by the Business World magazine.

TCS #FutureForwardCareers National Qualifier Test (NQT) is designed with the objective to select the best talent in the country from the **2019-20 batch** to learn, grow and excel with us. Candidates will be offered opportunities with one of TCS' fastest growing units - **Cognitive Business Operations (CBO), Banking and Financial Services and Insurance (BFSI), and Life Sciences** in various enriching roles that will amplify their career growth.
