**4. Certificate / Add-On Course**  
It has been resolved that the department will conduct a certificate/Add-on Course on C-Programming and Software tools in thesis writing in the Month of March/April. The final date for the advertised course, participating departments etc. will be fixed after consultation with Hon'ble principal sir and IQAC co-ordinator.

**5. CMSASemester-VI Project (CMSADSE06P) group distribution:**  
UG semester-VI students will be asked to form total ten groups for project work, eight groups consisting of three students in each group and two groups consisting of two students in each group to accommodate twenty eight students in total. A lottery will be done to distribute a group to each teacher for guidance of the project.  
Since it is mentioned in the CRCS syllabus that there should be at most three students in a group, the teachers can break the allotted group into further smaller groups.

Seminar topic for the paper CMSMCOR15M for PG Semester-IV students will be allotted by their corresponding project guide.

The meeting ended with a vote of thanks from the HOD.

*Phulom Mahanta*

### Workshop Report

Barrackpore Rastraguru Surendranath College (BRSNC)

Organized by Dept. of Computer Science in collaboration with IQAC.

Topic: Blockchain Technology.

Date & Time: 02.05.2023 at 01:00 PM.

Venue: Room no. 202, 85, Middle Road Campus.

Resource Person: Dr. Souvik Basu, Associate Professor & Head, Dept. of Computer Application, Heritage Institute of Technology.

Dept. of Computer Science in collaboration with IQAC, Barrackpore Rastraguru Surendranath College has organized a one-day workshop on Skill Development. Mr. Phulen Mahato, Assistant Professor, Dept. of Computer Science, BRSNC coordinated the workshop. Dr. Souvik Basu, Associate Professor & Head, Dept. of Computer Application, Heritage Institute of Technology was the resource person of the session. During the session Dr. Basu confined himself on the topic "Blockchain Technology". PG students from various departments of the college and a number of faculty members from various department of the college participated in the program. The program started with the welcome address delivered by Dr. Sutapa Ghosh Dastidar, Coorinator, IQAC. Dr. Ishita De Ghosh, Associate Professor, Dept. of Computer Science, BRSNC, introduced the speaker. Dr. Basu enlightened the audiences on Blockchain Technology for about two hours followed by an interactive session of about half an hour, where the audiences were been clarified regarding all their queries. During the session Dr. Basu threw light on the blockchain technology- A distributed database that maintains a continuous growing list of ordered records named block, each block maintains a cryptographic hash of the previous block a timestamp, and transaction data. its applications- Monitoring of supply chain, for data sharing, copyright and royalties protections etc., its benefits- Tight security, Time and cost savings. blockchain security- The records cannot be altered retroactively without the alteration of all subsequent blocks and the consensus of the network. Dr. Basu also discussed about the different research scope in the field of blockchain.

The session ended with a Vote of Thanks delivered by Dr. Payal Biswas, Assistant Professor, Dept. of Computer Science, BRSNC.

ADD-M01 - 2023 Curriculum

Course Duration: 30 Hours

Department of Economics

## Add-on Course in Data Analysis

SESSION 2022 - 23

### ORGANIZING DEPARTMENT

*Department of Economics*

### COURSE COORDINATOR

DR. DEBAPRASAD SARKAR

### ENROLLMENT

Interested students of the college can enroll for the course with a copy of their Student ID card. For details about the course and other details visit the Certificate Course menu in the College website, i.e. <https://brsc.in/>

### COURSE OBJECTIVE

Data is short hand for "information", and the process of scrutinizing raw data with the purpose of drawing conclusion about that information is called "Data Analysis". The main aim of Data Analysis is to convert the available cluttered data into a format which is easy to understand, more legible, conclusive and which supports the mechanism of decision-making. The potential of Data Analysis is in its ability to solve business problems and provide new opportunities. Department of Economics is going to offer this course in order to provide the students with important insights such as how does any business or organization identify performance problems. Besides, Data Analysis can substantially improve the decision-making process of the organizations.

### COURSE CONTENT

- **Module 1: Data Handling and Description**
- **Module 2: Data Envelopment Analysis in Excel**
- **Module 3: Introduction to Data Science and Statistics**
- **Module 4: Time Series Analysis**
- **Module 5: Linear Regression**
- **Module 6: Formation of Index**

Dear Prof. Dr Monojit Ray,

Nice speaking with you and to know that you all are very much interested to start the training for your students and also want to arrange a meeting in your campus by inviting the nearby colleges but due to some urgent meetings you are unable to fix the date. As discussed, I will call you after 10th Dec once you are free and will discuss regarding the same.

Looking forward to meet you!

Thanks and Regards,

Farid Uddin Masud
