Report and outcome of the workshop

We have organized a One day skill development workshop and poster presentation on "Astrophysics & Technology" in collaboration with our college IQAC on 23.6.2023. The speakers & trainers were (i) Prof. Debiprosad Duari, Former Director, Research & Academic, MP Birla Institute of Fundamental Research, MP Birla Planetarium Kolkata; (ii) Sri Dipankar Dey, Assistant Professor, Gurudas College & General Secretary, Sky Watchers' Association Kolkata; (iii) Sri Abhishek Das, Assistant Teacher, St. Joans School. The program started with valuable speech from our respected Principal sir Dr. Monojit Ray and Our IQAC coordinator Madam Dr. Sutopa Ghosh Dastidar. Dr. Duari delivered his valuable lecture on "The final frontier for space & technology". Speaker 2 (Sri Dipankar Dey) spoken on "observable objects on night sky". In the second session participating students presented their colourful posters on "Astrophysics & Technology" that was visited by all the delegates. Students were enriched by the valuable comments from Dr. Duari. In the evening Sri Abhishek Das and Sri Dipankar Dey guided all the participants on how to watch the sky by the telescope using the app Stellarium. Participants were the teachers of our college and other colleges, students of our college and other colleges. All of them were academically benefited and enjoyed the entire workshop.

Report of One Day Workshop on Entrepreneurship: A Career Opportunity

In today's rapidly evolving business world, entrepreneurship stands out as a promising avenue for career advancement and personal fulfillment. Our seminar aims to explore the dynamic realm of entrepreneurship, providing participants with insights, strategies, and resources to embark on their entrepreneurial journey. Workshops specifically designed for students will cover essential topics such as idea generation, prototyping, pitching, and building a startup team. Additionally, students will engage in group activities and case studies, allowing them to apply theoretical knowledge to real-world scenarios.

Through engaging presentations, interactive workshops, and panel discussions featuring successful entrepreneurs, industry experts, and investors, attendees will gain a comprehensive understanding of entrepreneurship as a viable career option. Key topics will include ideation, market analysis, and business planning, funding options, marketing strategies, and navigating challenges.

Moreover, the workshop offered practical guidance on leveraging technology, fostering innovation, and building resilient businesses in a competitive landscape. Whether you're a budding entrepreneur or simply curious about the entrepreneurial world, join us to unlock the potential of entrepreneurship as a rewarding career path.

Furthermore, a dedicated student panel will showcase the experiences and success stories of young entrepreneurs, inspiring their peers and offering valuable insights into overcoming challenges and seizing opportunities in the entrepreneurial landscape.

Seminar on “Scopes and Dimensions in Entrepreneurship”

Resource Person: JanabSihabRifatAlam (Chairman, JagrataByabshayi o Janata, Dhaka, Bangladesh, & Eminent Entrepreneur from Bangladesh)

Brief Report about the Programme:

Number of Students Participated & Benefitted: **198**

The esteemed resource person who happens to be the Chairman, JagrataByabshayi o Janata, Dhaka, Bangladesh, and an eminent entrepreneur from Bangladesh, told the students the need to be self-dependent by forming start-ups of their own. As the job market is becoming stringent with the advent of AI, the students need to collaborate amongst themselves to find concepts and products that can be marketable in society catering to the need of wider strata of population. The speaker stressed upon survey skills and tenacity for finding a suitable and marketable concept and product that will help the students to be successful entrepreneurs in future who, in the long run, will generate jobs for others.

The students were found to be benefitted through the invaluable words form the esteemed resource person.

Brief Report of the Seminar

On the 18th of March, 2023, the Centre for Career Development & Placement Cell and IQAC jointly organized a Seminar on the expansive Scope and Dimension of Entrepreneurship, inviting esteemed Entrepreneur SihabRifatAlam from Bangladesh to inspire the student body. Alam's insights and experiences captivated the attendees!, igniting a fervent motivation among the students to embark on the journey of entrepreneurship. With his guidance, students were enlightened about the diverse avenues and potential within the entrepreneurial landscape, nurturing their aspirations to become successful entrepreneurs themselves. The seminar served as a beacon:, illuminating the path towards realizing their entrepreneurial dreams; and fostering a spirit of innovation and enterprise among the future leaders.

“Seminar on Career Scope in Laboratory Instrumentation”

organized by

Internal Quality Assurance Cell & Centre for Career Development & Placement Cell

on

March 18, 2023

at

6, Riverside Road Campus (Arts & Commerce Campus)

Conducted by : Systronics (India) Limited

Speaker : Mr. Hirak Chakraborty (HR Manager, Systronics (India) Limited)

Assisted by : Mr Bidyut Mallick – Coordinator, Systronics (India) Limited

Brief Report about the Programme

Number of Students Benefitted : 264

The esteemed speaker, Mr. Hirak Chakraborty, from **Systronics (India) Limited** told the students the skill sets required for career in the domain of Laboratory Instrumentation. The students were informed about the openings in different segments for laboratory instrumentation and the need for properly qualified and skilled human resource for jobs in the related area.

Mr. Chakraborty told the students that the concept that Laboratory Instrumentation is only about manufacturing of instruments and thereby the domain for only the students from science streams, is not true. While on one hand the manufacturing units are always needed, on the other hand the requirement for skilled human resource in the domain of marketing is also required. Maintenance of the instruments is another domain where students from any stream with proper certification courses can find jobs, and they will find it easier to get inducted in the related domains of the spectrum of Laboratory Instrumentation in years to come.

Outcome of the Workshop

The workshop on Entrepreneurship Development and Career Advancement, meticulously organized by the Centre for Career Development & Placement Cell in conjunction with the Internal Quality Assurance Cell (IQAC) of the College, on January 16, 2022, proved to be a pivotal event in shaping the professional trajectories of the attendees. Guided by the expertise of JanabBelal Ahmed from Haji Abed Ali College, Bangladesh, the workshop served as a beacon illuminating pathways to both entrepreneurial success and career advancement. Through a judicious blend of theoretical insights, practical exercises, and interactive sessions, participants were immersed in a transformative learning experience. JanabBelal Ahmed, with his wealth of knowledge and experience, provided invaluable guidance on various aspects of entrepreneurship, including ideation, business model development, market analysis, and strategic planning. His lucid explanations and real-world examples resonated deeply with the participants, inspiring them to think innovatively and embrace an entrepreneurial mindset.

Moreover, the workshop served as a platform for participants to gain insights into the intricacies of career advancement in today's competitive landscape. Through discussions on personal branding, networking, and skill development, attendees were equipped with the tools and strategies necessary to navigate their professional journeys with confidence and resilience. JanabBelal Ahmed's emphasis on continuous learning and adaptability struck a chord with the participants, reinforcing the importance of staying abreast of industry trends and seizing opportunities for growth and development.

One of the most significant outcomes of the workshop was the cultivation of a vibrant community of aspiring entrepreneurs and ambitious professionals. The collaborative environment fostered meaningful connections and exchanges of ideas, laying the foundation for future partnerships and collaborations. Participants were not only inspired by JanabBelal Ahmed's insights but also by the diverse perspectives and experiences shared by their peers. This sense of camaraderie and mutual support is poised to endure beyond the confines of the workshop, serving as a source of encouragement and empowerment as participants embark on their respective career paths.

Furthermore, the workshop catalyzed introspection and self-discovery among participants, prompting them to reflect on their strengths, aspirations, and areas for growth. Through interactive exercises and guided reflections, attendees gained clarity on their professional goals and identified concrete steps to realize them. Whether aspiring entrepreneurs or

individuals seeking to advance their careers in established organizations, participants left the workshop with a renewed sense of purpose and direction.

In essence, the workshop on Entrepreneurship Development and Career Advancement was a resounding success, leaving an indelible impact on all who participated. JanabBelal Ahmed's expertise, combined with the collective enthusiasm and energy of the attendees, created an environment ripe for inspiration, learning, and growth. As participants continue on their respective journeys, they carry with them the lessons learned and the connections forged during this transformative event, poised to make meaningful contributions to the world of entrepreneurship and beyond.

Outcome of the Workshop on Entrepreneurship Development

The Workshop on Entrepreneurship Development provided a comprehensive platform for aspiring entrepreneurs to gain insights, skills, and resources necessary for launching and managing successful ventures. Hosted by IQAC and in collaboration with Career Development and Placement Cell, the seminar focused on fostering entrepreneurial spirit and empowering individuals to pursue their business ideas.

Key Highlights

Business Ideation and Opportunity Recognition: Participants learned how to identify viable business opportunities, assess market demand, and develop innovative business ideas through interactive sessions and case studies.

Startup Essentials: The workshop covered essential aspects of starting and running a business, including business planning, legal requirements, financial management, and marketing strategies. Practical guidance was provided to help participants navigate the challenges of entrepreneurship.

Networking and Mentorship: Networking opportunities facilitated connections with experienced entrepreneurs, industry professionals, and potential collaborators. Mentorship sessions offered personalized guidance and support to participants, enabling them to benefit from the expertise of seasoned entrepreneurs.

Innovation and Creativity: The importance of innovation and creativity in entrepreneurship was emphasized, with workshops and brainstorming sessions aimed at fostering creative thinking and problem-solving skills among participants.

Resource Mobilization: Participants gained insights into different sources of funding, including venture capital, angel investors, crowdfunding, and government grants. Strategies for effectively mobilizing resources to finance business ventures were discussed, enabling participants to develop realistic financial plans for their startups.

Conclusion:

The Workshop on Entrepreneurship Development provided a valuable platform for aspiring entrepreneurs to acquire the knowledge, skills, and resources needed to embark on their entrepreneurial journey. By fostering innovation, networking, and resource mobilization, the workshop aimed to empower participants to turn their business ideas into reality and contribute to economic growth and job creation.

Workshop Outcome

The workshop on the Use of e-resources for research, held on 13th December, 2022, by the Central Library in collaboration with the Internal Quality Assurance Cell (IQAC) of the College, yielded profound insights and invaluable skills for all participants. Led by seasoned experts in the field of academic research and digital resources, the workshop provided a comprehensive understanding of the vast array of electronic resources available for scholarly pursuits. Through hands-on demonstrations, practical exercises, and engaging discussions, participants gained proficiency in navigating online databases, accessing scholarly journals, utilizing digital libraries, and harnessing the power of search engines and academic repositories to enhance their research endeavors. Moreover, the workshop equipped participants with strategies for critically evaluating online sources, ensuring the credibility and reliability of the information accessed. By embracing digital tools and platforms, participants were empowered to streamline their research processes, enhance their information literacy skills, and broaden the scope and depth of their scholarly inquiries. The workshop not only facilitated the acquisition of practical skills but also fostered a culture of innovation and adaptability, encouraging participants to embrace emerging technologies and digital advancements to stay at the forefront of academic research. Furthermore, the workshop served as a catalyst for collaboration and knowledge-sharing among participants, fostering a vibrant community of scholars committed to leveraging e-resources to advance their research agendas. Overall, the workshop on the use of e-resources for research proved to be a transformative experience, equipping participants with the tools, knowledge, and confidence to harness the full potential of digital resources in their academic pursuits and contribute meaningfully to the advancement of knowledge in their respective fields.

Workshop Summary

On December 8th, 2022, the Internal Quality Assurance Cell (IQAC) of Barrackpore Rastraguru Surendranath College organized an Intellectual Property Rights (IPR) workshop for students. Renowned speaker Dr. Sanjit Kr Chakraborty from WBNUJS (West Bengal National University of Juridical Sciences) led the session. The workshop aimed to enhance students' understanding of intellectual property concepts and their significance in various fields. Dr. Chakraborty delivered insightful presentations covering topics such as patents, trademarks, copyrights, and trade secrets. Through interactive discussions and practical examples, students gained valuable insights into protecting intellectual assets and fostering innovation ethically. The workshop provided a platform for students to engage with experts and deepen their knowledge of IPR. It underscored the importance of respecting intellectual property rights in promoting creativity and driving economic growth. Overall, the event was highly beneficial in equipping students with essential knowledge and skills in the realm of intellectual property.

Resolutions of Meeting of Centre for Career Development & Placement Cell, BRSNC Held on : 27/04/22 from 3:00 PM onwards in Room – 103, 85, Middle Road Campus

The meeting was presided over by the respected Principal – Prof. (Dr.) Monojit Ray
The resolutions of the previous meeting were read and confirmed .

Agenda 1 : To consider the proposal for Student Progression

It was resolved that Value-added Courses may be introduced.

Agenda 2 : To consider the proposal for launching more Certificate Courses

It was resolved that short term Certificate Courses would be introduced in collaboration with competent bodies and, or institutes. In this connection, it was also resolved that the different UG & PG Departments of the college may be approached for rendering their expertise in designing of the courses and imparting training for the same.

Courses like Taxation, Content Writing, Cyber Security, Editing, Environmental Awareness etc were a few which were suggested by the members present.

Further, the members consented that the training / coaching for the certificate courses may be rendered either in offline or online or blended mode as per feasibility and viability.

Agenda 2 : To redesign the syllabus of the existing Certificate Course/s

It was resolved that two new Certificate Courses would be introduced from the Academic Session 2022-2023 session. The courses would be implemented by the Centre for Career Development & Placement Cell of the college, and offered to the UG Students as optional course at the time of admission in UG Sem – 1.

The outline of the new Certificate Courses to be implemented was placed and approved by the members present :

- Certificate Course on Aptitude Development for Competitive Examinations** (Duration :120 hours, to be covered during the First Year of UG Studies – Semester 1 + Semester -2).

Modules to be covered:

English Aptitude & Remedial Grammar, Numerical Ability & Logical Reasoning. The Course would be offered to the students at the time of enrolment in the Semester-1 of UG Studies as optional mode.

- Advanced Certificate Course on Communication Skills in English & Aptitude Development** (120 hours, during Final Year of UG Studies – Semester 5 + Semester -6)

Modules to be covered :

Effective Communication Skills in English, Numerical Ability & Logical Reasoning. The students who will be opting for the FIRST COURSE during Sem-1 of Session 2022 2023, as mentioned above, will be provided with the Advanced Course during their Final Year – Sem -5 & Sem-6 of UG Studies

It was resolved that the expertise from Smt. Krishnakali Basu would be taken for further improvement in the curriculum.

- It was also resolved that Workshops and Orientation sessions regarding Entrepreneurship should also be conducted keeping the need of Entrepreneurship in the present day situation.

The meeting ended with a vote of thanks to the chair. It was also resolved that other issues especially related to Career Counselling and Career Fair may be taken up in subsequent meetings

Outcome of the Seminar

The Entrepreneurship Development Programme held on April 27, 2022, orchestrated by the Centre for Career Development & Placement Cell in collaboration with the Internal Quality Assurance Cell (IQAC) at the College, was an enlightening experience aimed at fostering entrepreneurial spirit among the participants. Spearheaded by Sri Atin Nandi, a seasoned entrepreneur and expert in the field, the programme delved into various facets of entrepreneurship, ranging from ideation to execution. Through interactive sessions, practical workshops, and insightful discussions, participants gained a comprehensive understanding of the entrepreneurial landscape, including identifying viable business opportunities, formulating business plans, understanding market dynamics, and navigating the challenges inherent in starting and scaling a venture. Sri Atin Nandi's wealth of experience and expertise infused the programme with real-world insights and practical wisdom, inspiring participants to think innovatively and embrace a proactive approach towards pursuing their entrepreneurial aspirations. The programme not only equipped participants with essential entrepreneurial skills and knowledge but also instilled confidence and a sense of empowerment, encouraging them to embark on their entrepreneurial journey with zeal and determination. Furthermore, the programme facilitated networking opportunities, allowing participants to connect with like-minded individuals, mentors, and industry experts, thereby fostering a supportive ecosystem conducive to entrepreneurial success. Overall, the Entrepreneurship Development Programme proved to be a transformative experience, igniting the entrepreneurial spark within participants and empowering them to chart their own path towards success in the dynamic and ever-evolving world of entrepreneurship.

Report of the Seminar:

On February 15, 2020, the Central Library, in conjunction with the Internal Quality Assurance Cell (IQAC), orchestrated a seminar dedicated to the critical exploration of research ethics. This event served as a pivotal platform for scholars, researchers, and academicians to delve into the intricate tapestry of ethical considerations underpinning academic inquiry. Through a multifaceted approach encompassing keynote addresses, panel discussions, interactive workshops, and case studies, participants were intricately guided through the ethical labyrinth that often characterizes the research landscape. Keynote speakers, including esteemed experts in the field, illuminated the fundamental principles of ethical research, emphasizing honesty, integrity, objectivity, and accountability as indispensable cornerstones. Panel discussions further dissected prevalent ethical dilemmas, ranging from data manipulation to conflicts of interest, compelling participants to scrutinize their research practices through an ethical lens. Interactive workshops and case studies provided practical tools and frameworks for navigating ethical quandaries, empowering attendees to foster ethical integrity in their academic pursuits. The seminar underscored the paramount importance of familiarizing oneself with ethical guidelines and resources, advocating for the integration of institutional review boards (IRBs) and professional codes of conduct into research protocols. Moreover, a recurring theme throughout the seminar highlighted the pivotal role of academic institutions in cultivating a culture of integrity, wherein ethical responsibility is not only upheld but actively promoted among peers and colleagues. Ultimately, the seminar on research ethics served as a beacon of enlightenment, illuminating the path towards ethical excellence in

Research Ethics Purview of Library

February 15, 2020

Barrackpore Rastraguru Surendranath College

The Venue

Barrackpore, spelled Barrackpur or Barakpur at times, is located in the south-eastern part of the state of West Bengal. It constitutes the oldest Cantonment in India. The name of the cantonment is probably derived from the word 'barrack', there having been troops stationed here since 1772. In 1824 Indian troops stationed in Barrackpore refused to participate in a mission during the First Anglo-Burmese War (1824-26). It was also in Barrackpore that the mutinous actions of a sepoy, Mangal Pandey, in March 1857, came to be regarded as the first event in a growing series of anti-British acts that culminated in the great Sepoy Mutiny. Barrackpore Park contains the former suburban residence of the British viceroy of India. The city is also the site of Central Inland Capture Fisheries Research Institute, the oldest organization of its kind in India.

The College

Barrackpore Rastraguru Surendranath College was established in 1953 in the historical town of Barrackpore, situated in the East bank of the river Ganges. It is among the very few colleges in the state to be awarded as 'College with Potential for Excellence' by UGC. It was formerly affiliated to the University of Calcutta and is presently affiliated to the West Bengal State University. Over the years the college has consolidated its position as a premier institution in the state of West Bengal imparting knowledge in the diverse fields of Humanities, Commerce and Basic Sciences. It is a NAAC 4th Cycle re-accredited 'B++' Grade college with the privilege of being the first college in the state to have completed the 4th cycle of accreditation. The college is also a proud recipient of DST-FIST funds, DBT-BOOST & RUSA funds. It is a Government aided college and presently runs 28 PG courses and 7 autonomous PG courses with 10000+ students.

The Library

Central Library is computerized with around 60,000 printed documents and 46 regular journals and magazines. The library is automated with open source software Koha integrated with RFID system. The catalogue of the entire collection of the library is available 24x7 remotely through the WebOPAC.

The Library is member of N-LIST (National Library and Information Services Infrastructure for Scholarly Content) consortium of INFLIBNET through which the members of the library can access 6300+ e-journals and 1,00,000 e-books. Moreover, the Library is subscribing IEEE, Sage Journals in electronic forms. The Library is a part of NPTEL (National Programme on Technology Enhanced Learning), an initiative of IITs & IISc to enhance the quality of education in the country by developing curriculum based video and web courses. The Library is Institutional Member of BCL, Kolkata. There are Departmental Libraries in each department for catering to the academic needs of the students of concerned departments.

Theme

According to the American sociologist Earl Robert Babbie, *Research* is a systematic inquiry to describe, explain, predict, and control an observed phenomenon involving inductive and deductive methods. *Ethics* forms the moral basis of a particular conduct or action. The seminar *Research Ethics* will try to focus on the ethical norms of research to find out the measures to protect research data, promote good research and ensure intellectual asset. Publications being the ultimate platform to share research findings, ethics forms an integral part in every research endeavor.

Several professional associations, government agencies and academic institutions have developed the specific codes of ethics related to research. Some of the principles are research integrity, honesty, respect for intellectual property etc.

In every aspect of research ethics, the role of libraries and library professionals, is highly significant. In the present *Google It* world, the seminar will strive to highlight the pros and cons of conducting good research maintaining the ethical norms with the support of library system.

Topics for deliberation may be:

- Principles of Research Ethics
- Research Integrity & Collegiality
- IPR and its Protection
- Research Misconduct
- Role of Government and Other Agencies to Promote Research Integrity
- Tools for Addressing Research Misconduct
- Role of Libraries to Promote Integrity
- and other similar topics.

Resolution:

The Principal of the college welcome all the members to the 2nd PGBOS meeting in Education and discussed the following issues;

1. One choice able open course (Certificate Course) for other than PG students was finalized which consists five units including the various foundations of Education, Curriculum ,Evaluation and Research.
2. In case of internal assessment instead of written assignment importance should given on group discussion, Paper Power point presentation.
3. For PG Entrance Test (Open category) questions in multiple choices within 50 marks should be collect from different experts within the month of May.
4. The classes of 1st Semester may be expected to start from 16th August.
5. 1st Semester examination may be started from 2nd January,2019. Whereas the questions for that examination may be collected within November and the moderation may be held with in December. Three sets (one internal & two external) of questions may be collected.
6. Registration Certificate photocopy may be collected from home students after their admission and for others the migration certificate may be collected.
7. The routine should frame by providing the gap period which may be treated for library for students.
8. Five working days may provide instructional days for PG Students.
